SKILLS

- **Languages:** Java, JavaScript, C, C++, DBMS
- **Technologies:** HTML, CSS, Python, CSS
- **Databases/Tools:** MySQL, Git, GitHub
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability

PROJECTS

Mar 2026- Jan 2026

- **PROJECT type:** Hardware-based project
- Engineered an ECG based heart monitoring system to capture and monitor real-time electrical signals of the heart.
- Integrated ECG sensors and electrodes to acquire cardiac signals and calculate heart rate for continuous monitoring.
- Developed a real-time monitoring interface to display ECG waveforms and heart rate reading for easy observation.
- Also gained a hands-on experience in biochemical electronics, sensors, signals acquisition, and embedded system.

Sep 2025 - Oct 2025

- Developed an AI-based system to monitor students' academic focus and identify potential digital addiction risk using behavioral and usage Patterns.
- Analyzed factors such as screen time, application usage, study duration, and digital activity to assess focus levels and addiction risk.
- Designed a monitoring dashboard to present focus scores, digital usage patterns, risk levels, and personalized insights in an easy-to-understand format.
- Implemented modular system components for data collection, risk analysis, monitoring, and report generation.

TRAINING

Lovely Professional University | [Certificate](#)

Jun 2025-Jul 2025

AI Hands-on Bootcamp (BlockseBlock × OpenAI)

Hands-on learning in Artificial Intelligence

- Completed a hands-on Artificial Intelligence bootcamp, gaining practical exposure to AI concepts and their real-world applications.
- Participated in applied learning activities focused on understanding and implementing Artificial Intelligence concepts.
- Strengthened practical understanding of AI-based problem solving and emerging AI technologies.
- Demonstrated applied learning and professional excellence through successful completion of the Bootcamp.

CERTIFICATES

- AI hands-on Bootcamp – blockseblock × Open AI | [Certificate](#) Aug 2025
- Programming Fundamentals using Python – Part 1 | [Certificate](#) Jun 2025
- Programming Fundamentals using Python – Part 2 | [Certificate](#) Jun 2025

ACHIEVEMENTS

- Solved more than **200** programming problems on online coding platforms during regular practice and learning.
- Achieved the **LeetCode 100 Days** Badge by maintaining consistent daily problem solving over time.
- Ranked **Top 10 among 50+ teams** in a college hackathon with an innovative web solution prototype.

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
• *Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.4*** Aug 2026- Present
- *Higher Secondary Education; **Percentage: 67.6%*** May 2024- Mar 2025
- Narkatiganj , Bihar
• *Secondary Education; **Percentage: 83.7%*** Jun 2022 - Mar 2023
